April is National Credit Union Youth Month!

In keeping with National Youth Month, AVESTAR CREDIT UNION Encourages Youth to Get Financially Fit

Financial literacy is a crucial life skill for young people, but it's one that too few are learning.

That's why in April, AVESTAR is focusing on helping youth become more financially fit. Avestar is available to help local youth strengthen their money skills and pump up their savings.

Our AVESTAR President, Kay Radloff says "Youth fitness has become a national priority, with an emphasis on exercise and proper nutrition, but with all the hurdles facing young people in the future, like historic levels of student debt, we believe financial fitness is just as important."

The theme of the month-long event is Credit Union Strong. Like all credit unions, AVESTAR CREDIT UNION is a member-owned, not-for-profit financial cooperative.

Member education and concern for the community are part of the foundational principles of our business structure. Passing along basic money skills to the next generation so that these kids might have a brighter future embodies both those principles—**and that is what we believe it means to be credit union strong!**

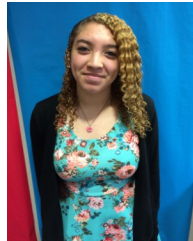

Happy Anniversary!
